

Welcome back to all our members. This year marks the centennial of our storied club. We are excited to get started on the beginning of our second century. We hope to have a wonderful year of sailing and celebration .

We are readying our community for a series of events including racing, regattas and an anniversary gala. We invite you to join in and help make this the best year we possibly can with several opportunities to get into the thick of it by helping out. The more we, as a community, can put in, the greater the reward will be.

Currently, we are looking forward to opportunities for instructional events with experienced sailing coaches and sail manufactures through the cooperation of our sister clubs. I hope that members will make the best of these opportunities to learn and connect with the members of our fellow clubs.

So here is to another year of fun, learning and fraternity set on the calm reflection of our lakeside getaway.

Hope to see you soon.
