Volunteering

The Edmonton Yacht Club could not operate without the volunteer effort by its members. It would lose sense of community and its ability to support its unique sailing experience as well as being one of the most competitive clubs in that area. Once you join as member of the EYC community, you are expected to contribute at least 25hrs of volunteer service per year in addition to serve one day per year as "OFFICER OF THE DAY".

Typically volunteer activities include helping with docks-in, docks-out, Seba Days and other agendas as well as helping with races, the grounds, renovations, and maintenance organizing etc.

Please let us know what you are good at or choose from the bellow that suits your knowledge and ability the best:

Working at various events, social activities _____

Racing, race organizing, sailing school, youth sailing _____

Construction and maintenance work _____

Docks and dock maintenance _____

Volunteer coordination, event staging _____

Working on a Committee _____

Grounds keeping, beautification _____

Other, please state your interest _____

- I would like a keyless FOB for the Club House. (\$20 deposit)

Officer of the day:

Officer of the day is required on every weekend in the season. Every member is required to serve one day each year. Please contact the social director to sign up for the most suitable day for you socialdirector@edmontonyachtclub.ca

Bar Nights:

There is not a better way to get to know all the EYC members, than by volunteering to tend the bar on Saturday nights! This is a shared responsibility among the membership and adds a great deal to the club social activities. On long weekends the bar will be open 2 nights.

Work Teams:

Teams of people are assembled to organize and manage different aspects of club activities, such as Seba days, dock installation, maintenance, and removal each year. Call for volunteers are usually done through Newsletter that will be posted if such event will call for volunteers. So, tune in and follow the instruction how to join and help on these events.

As a member of the Edmonton Yacht Club, I agree to support club activities and events by working the required volunteer hours and to abide by the Articles of Association (April 21, 2009) and the bylaws of the Edmonton Yacht Club as outlined in the current handbook.

I give permission to EYC to send electronic communications to the email provided above
