Welcome to the 2021 Sailing Season at EYC

Dear Member

On behalf of EYC's board of directors I would like to welcome all members back for the 2021 summer sailing season.

With the possibility of continued travel restrictions our little stretch of beach is an Oasis close to home and the Sailing will be that much sweeter !

At this point we are anticipating a full Sailing season with docks in and Docks out dates similar to previous years. With the likelihood of similar safety protocols as last season and possibly less restrictions on Social gatherings and visitors pending AHS guidelines.

Once again, there is no increase in your dues and fees; they are still the same as 2019.

While rising costs would warrant an increase; Covid and its various implications was the determining factor in holding fees.

- We will be implementing several committees this year to assist with day to day operations and planning. The goal is to be more productive and making it easier for members to volunteer and contribute ... so, please be sure to complete your volunteer choices

- The results of the Membership survey will be in the newsletter in early April. These results will help guide the direction of the Board and Committees

Your Board of Directors for 2021 is:

Commodore: Tim Bowles

Past Commodore: Thomas Kelm
